

## **A Day of Compassion, Service and Renewed Hope!**

On Saturday, 28th March 2026, the Methodist Treatment and Rehabilitation Center(MTRC) held a Free Joint Medical Camp with Kenya Methodist University(KeMU) which brought together partners, healthcare professionals and the community in a powerful demonstration of Christian Social Responsibility(CSR).

During the official opening address, Rev. Dr. Catherine Mutua, Director MTRC and the Chair of the University Council, warmly welcomed all, highlighting the initiative as a reflection of faith in action and expressing sincere appreciation to all partners whose support made the camp a success.

During the Sermon, the Bishop of Kaaga Synod, Rev. David Mwiti Muthuiya, shared words of encouragement, reminding attendees that while doctors treat, it is the Almighty God who heals. He urged the community not to lose hope and to embrace both faith and proactive health seeking behavior.

Representing the Governor of Meru County, H.E. Mutuma M'Ethingia, the Chief Officer for Health Services, Dr. Koome Muthuri, applauded the initiative, noting its impact in supporting the county's healthcare system and improving the well being of residents.

Dr. Eliab Some, the Deputy Vice Chancellor, Administration, Planning and Development, shared some practical health tips and emphasized the importance of such impactful, community oriented initiatives.

The camp was supported by partners, dedicated healthcare providers and specialists from the KeMU School of Medicine, led by the Dean, Prof. Alice Mutungi, alongside the KeMU Clinic led by Dr. Ken Owour.

The medical camp integrated both curative and promotive healthcare services, ensuring holistic care for all who attended. Ms. Pauline Kiambi, from the KeMU Nursing Department, held health talks on key diseases such as Diabetes, Blood Pressure, Mental Health and Cancer, ensuring those who attended gained practical health tips on preventive measures and Management too.

Through collaborative efforts, people were served, cared for and hope was restored.
