CHANCELLOR'S GOODWILL MESSAGE

Rev. Dr. Stephen Kanyaru M'Impwii, BD., MA., D.Min. - Chanchellor

Be transformed by the renewing of your mind

Today is a day of joy and thanksgiving. Kenya Methodist University celebrates its 25th Graduation Ceremony—a remarkable milestone that testifies to God's faithfulness and to the enduring vision that has guided this institution since its founding. For a quarter of a century, KeMU has stood as a beacon of academic excellence, spiritual nurture, and societal transformation. To our graduates: Congratulations! You have studied diligently, persevered with courage, and triumphed. Today, you join a distinguished family of alumni who carry the KeMU flag high across Kenya, Africa, and beyond.

Our theme, "Transformed; Innovate with Integrity," is both timely and prophetic. Transformation is the heart of true education. At KeMU, learning is not merely about knowledge, but about renewing the mind, shaping values, and preparing lives for service. As Scripture reminds us, "Be transformed by the renewing of your mind." Education must change how we think, how we live, and how we serve.

But transformation must be matched with innovation. We live in a fast-changing world shaped by technology, artificial intelligence, and shifting economies. Kenya and Africa face real challenges—youth unemployment, climate change, and inequality. Yet, these challenges present opportunities. Vision 2030 and the global Sustainable Development Goals call us to be creators of solutions. As KeMU graduates, you are prepared not only to seek jobs but to create them, to turn problems into possibilities, and to serve as innovators for your communities and your nation.

Still, innovation without integrity is dangerous. Our nation does not lack ideas; it struggles with values. Integrity is the anchor that sustains both transformation and innovation. It is honesty, accountability, and servant leadership that will set you apart as KeMU graduates.

My charge to you is simple: go out as ambassadors of transformation, courageous innovators, and guardians of integrity. Let your knowledge serve others, let your skills build communities, and let your values guide every decision you make.

Graduating class of 2025, go forth transformed, innovate with courage, and lead with integrity. The future is waiting for you—make it brighter for Kenya, for Africa, and for the world. Congratulations, and may God bless you all.

CHIEF GUEST

Leading with Integrity and Innovation

Dear Graduands, Esteemed Parents and Guardians, Faculty, Staff, and the entire University Community.

It is a great honour to join you in celebrating this remarkable milestone—the 25th Graduation Ceremony of Kenya Methodist University. On behalf of KCB Bank Group, I extend my warmest congratulations to the graduating Class of 2025.

The theme, "Transformed: Innovate with Integrity," captures the essence of leadership and purpose. Transformation signifies your intellectual and moral growth; Innovation represents the creativity and courage to shape a better world; and Integrity remains the foundation of enduring success.

At KCB, we believe that real leadership is about creating impact and building trust through ethical decisions. Your education has equipped you not only with knowledge but also with the moral courage to lead with vision and responsibility. As you venture into the next chapter—whether in business, public service, or entrepreneurship—let integrity guide every action.

To the graduands: your hard work and resilience have brought you this far. Be bold enough to ask "why not?" and visionary enough to pioneer change. Let your success be measured by the difference you make in your communities and in the nation at large.

To parents, guardians, and faculty—thank you for nurturing these exceptional graduates. Their achievements reflect your unwavering support and belief.

May the Class of 2025 continue to lead with courage, serve with humility, and uphold integrity in all endeavours. The future belongs to those who innovate with purpose and act with character.

Congratulations, and may God bless you all.

SPECIAL GUEST

Mr Charles Murito,
Regional Director, Sub Saharan Africa, Government Affairs & Public Policy at Google Africa and Interim Country Director, Kenya.

Be adaptable, Innovative and Transformative Leaders

It is an honour to join you for this historic 25th Graduation Ceremony of Kenya Methodist University — a celebration of learning, transformation, and integrity. Today marks the beginning of new possibilities for every graduate gathered here.

Tribute to KeMU's Leadership and Achievements

Allow me to commend the University's leadership, under Rev. Prof. John Kobia Ataya, for steering KeMU with purpose and vision. The University's continued commitment to technological advancement and ethical education is admirable.

The launch of new, market-driven programmes such as Data Science, the enhancement of ICT infrastructure, and the ongoing efforts to establish the first Google Academy in a Kenyan university reflect KeMU's responsiveness to the digital age.

I also applaud your partnerships with Buji Drones for the integration of technology in agriculture and environmental monitoring, as well as your broader mission of fostering sustainability through green energy and community empowerment projects.

Theme Reflection: Transformed; Innovate with Integrity

This year's theme, "Transformed; Innovate with Integrity," perfectly captures what our society needs most — minds that are creative yet ethical, bold yet principled. Transformation begins with the courage to think differently, and innovation gains meaning when it uplifts communities and safeguards humanity.

At Google, we hold the belief that technology must serve humanity. Kenya Methodist University mirrors this philosophy by anchoring innovation on faith, ethics, and social responsibility.

To the Graduands

Dear Graduating Class of 2025, you stand at the threshold of immense opportunity. You are entering a world where digital transformation, Artificial Intelligence, and automation are shaping the future.

However, the world does not only need your skills — it needs your values. Integrity must remain your compass as you innovate and lead. Use your knowledge not merely to earn a living but to create livelihoods for others. Remember: transformation is not about status; it is about impact. Let your work uplift others and contribute meaningfully to our nation's progress.

Partnerships and Digital Empowerment

As Google, we are delighted to partner with KeMU in empowering students with digital literacy, ethical innovation, and entrepreneurial skills. The proposed Google Academy at KeMU will be a hub for equipping young people with 21st-century competencies, enabling them to thrive in Kenya's and Africa's digital economy.

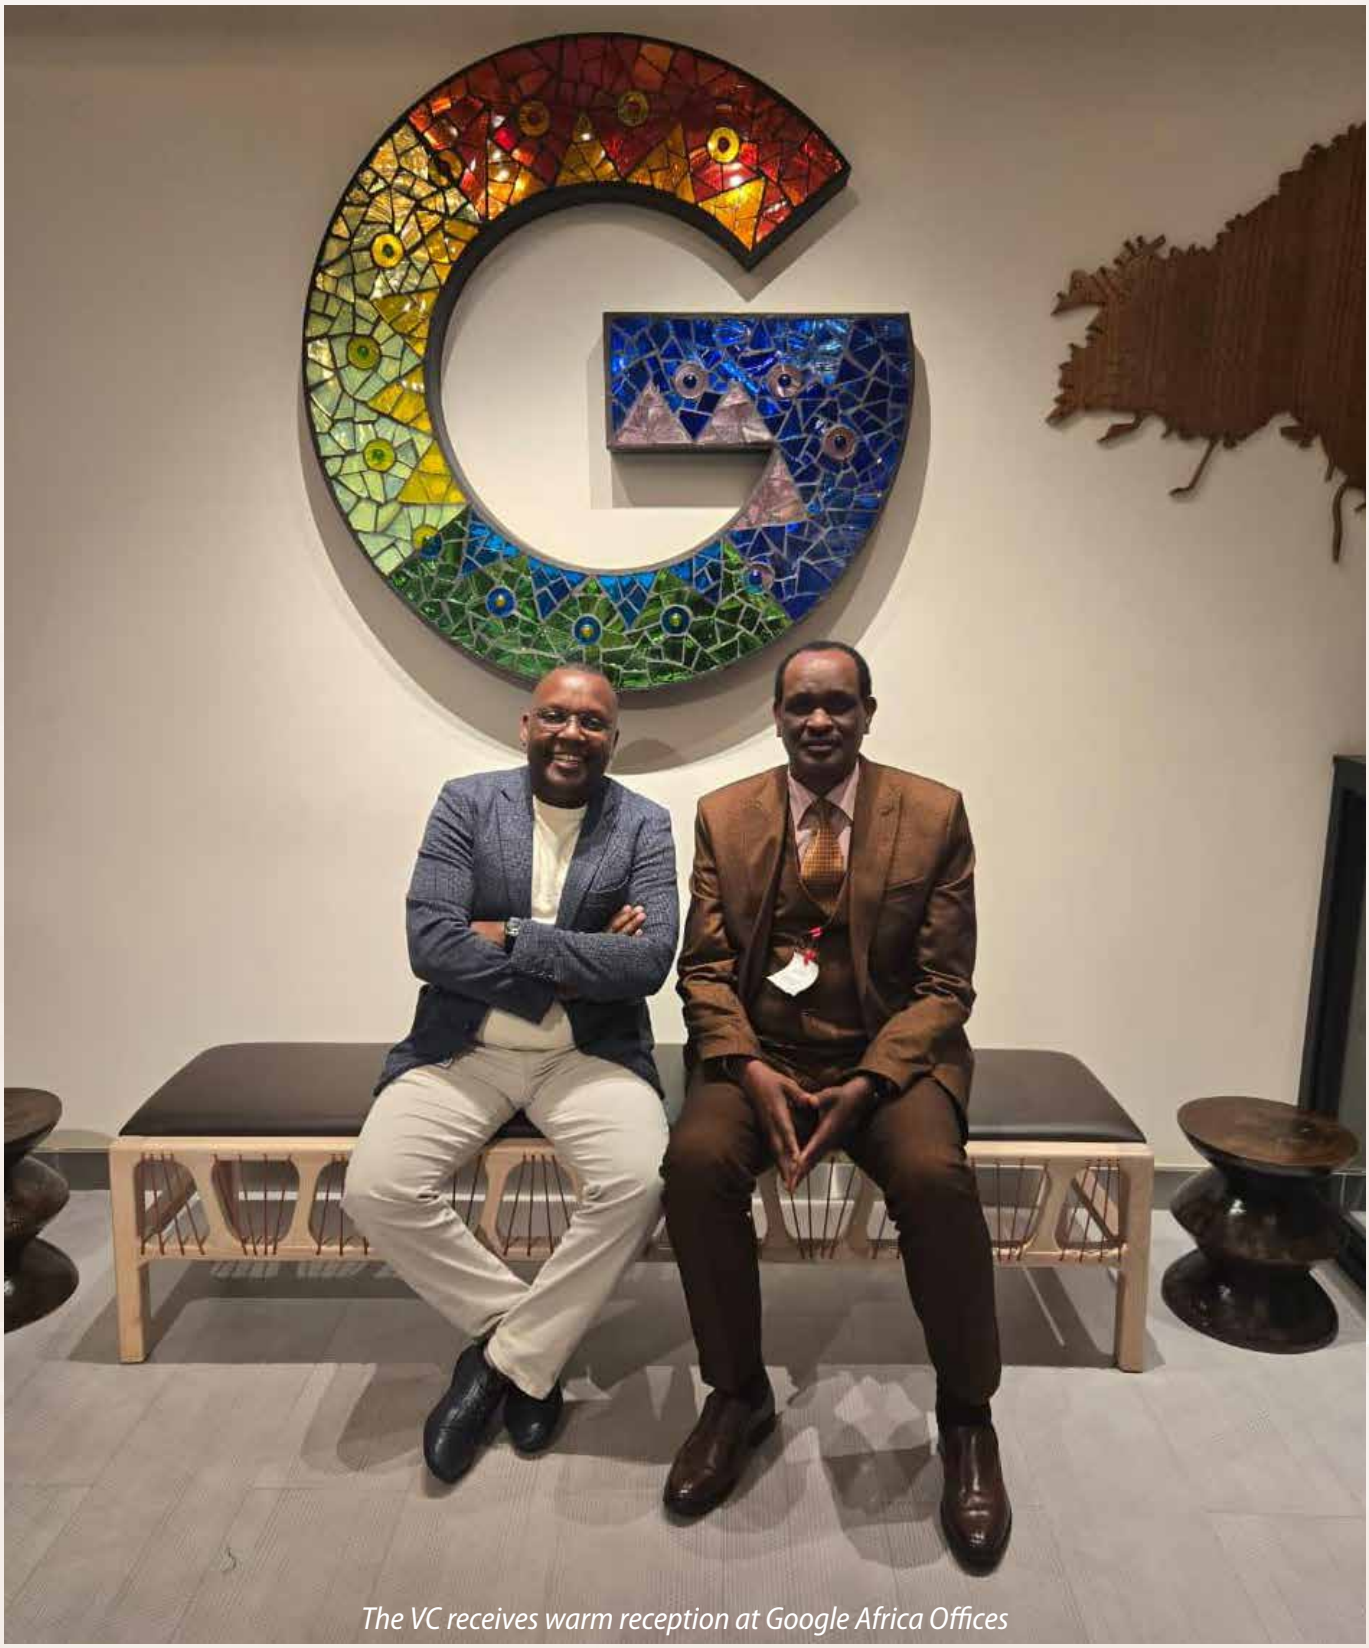

Closing Reflections

For 25 years, KeMU has remained a beacon of excellence — producing professionals and change-makers grounded in faith and integrity. As we look to the future, let us continue building institutions that transform lives, foster inclusivity, and sustain ethical innovation.

To the graduates: be curious, be courageous, and be compassionate. May your integrity be the foundation upon which you innovate and transform society.

Congratulations, Class of 2025!

May God bless you, Kenya Methodist University, and our Republic of Kenya.

Well Trained Professionals to cause a Positive Change

MESSAGE FROM THE CHAIRPERSON

Today is another auspicious occasion in which we meet to celebrate our class of 2025 graduands who have fulfilled the requirements for the various programmes for which they have been taught, examined and qualified and are getting power to read and do all that appertains to their various disciplines.

It gives me great pleasure and satisfaction in knowing that our university has again rolled out a number of well-trained professionals who will go out there and cause a positive change in the effort of transforming lives of our citizens and the global community at large. For the efforts put into your studies and the performance for which you are being feted today, I sincerely congratulate you on your graduation. Well done!

Embracing Innovation and Partnerships

We all realize that the world has become very competitive and only those who are highly dynamic and innovative are going to survive and establish a competitive edge. The realization of this in this university has led to promotion of innovative ways and embracing IT and Artificial Intelligence to cope with changing trends.

We have already partnered with some like-minded institutions and entities to advance this cause. We intend to expand capacity and promote adoption of changing technologies to ensure that the University remains focused in that direction. We are calling on our partners both locally and internationally to come out and join hands with the university to grow our potential and make exploits.

Peace, Cohesion and National Unity

We have to appreciate some things that matter in life but are normally assumed. We have had a sustained and enviable period of peace in this country that has enabled us to survive the challenges we have faced in the past. We sometimes take such peace for granted and yet there is no development or even any meaningful existence in periods of strife and turmoil.

That is why the organization I head – the National Cohesion and Integration Commission – is so keen on promoting peaceful coexistence and celebrating our ethnic and other diversities as our strength.

In the same vein, we have been promoting inter-generational conversations across the country and gladly so, we held one on 11th September 2025 at the Kenya Methodist University, Nairobi Campus, which attracted audiences from many universities and colleges as well as the general public and was very successful. We intend to carry out such dialogues and encourage the collective tapping of our potential even as we forge a common destiny as a country.

Institutional Growth and Sustainability

We are also conversant with the development needs of this university. The Board of Trustees, which I head, is very much alive to the challenging needs for expansion space especially in this main campus. We are relentless in seeking solutions to infrastructural challenges and will continue to exploit any opportunities to do so going forward.

We all appreciate that KeMU is a good and vibrant brand. We intend to maintain its growth in perpetuity even as we counter current and emerging challenges. We continue to appeal to our partners to rally behind us in this.

To the Graduating Class of 2025

To the graduating class of 2025, we are happy to send you out today to join your predecessors in the alumni of this great institution and explore ways and means of making the cause of humanity better. We also invite you, at the appropriate time, to join us in the recently launched KeMU Foundation so as to contribute and invest for the benefit of those that are struggling in our midst, especially students from needy backgrounds.

We are aware that it gets tougher every time but we are persuaded that you are equal to the task and will continue to shine in the circumstances you are likely to find yourselves in. Continue to be innovative and resilient and never lose focus of your goals even as you face hurdles along the way.

We wish you well.

God bless you.

MESSAGE FROM THE CHAIRPERSON

Equipped to Serve the World with Integrity and Wisdom

On behalf of the entire University Council, it is my profound pleasure to extend the warmest and most heartfelt congratulations to you, the distinguished Class of 2025.

My dear graduands, this milestone represents far more than the culmination of academic effort; it stands as a powerful and visible testimony to transformation. You have been shaped not only in mind but also in spirit. You leave this institution not merely with degrees, but as resilient and visionary leaders, innovators fundamentally equipped to serve the world with integrity and wisdom.

At Kenya Methodist University, we believe that true transformation, the kind that changes communities, must always transcend personal achievement. It involves taking our core values of honesty, selfless service, and academic excellence and carrying them forward into every sphere of your life, profession, and influence. Let this be your anchor: innovation without integrity is fleeting and unsustainable. Only innovation deeply grounded in ethical leadership and moral courage can bring about the lasting, positive change our society so urgently needs.

As you step into a world hungry for solutions, embrace transformation not as a past event, but as a lifelong calling. Be bold in reimagining possibilities. Let your creativity, technical skill, and unwavering character drive solutions to the pressing challenges facing our nation and the global community. Remain rooted in the values instilled here, values that make you responsible and trustworthy stewards of knowledge and service.

The University Council is exceptionally proud of the significant strides we have collectively made this year. We have diligently strengthened our academic programs, enhanced ICT and digital learning platforms, and advanced our strategic commitments across vital national pillars, including health, food security, quality education, housing, and youth empowerment. These foundational efforts reaffirm our dedication to producing graduates who not only speak of transformation but embody it, and who are ready to innovate with integrity.

The future belongs to those who lead with courage, wisdom, and compassion. I am confident that you, the Class of 2025, possess the strength and light to shape that future with distinction and leave an indelible mark on the world.

Congratulations once again. Go forth transformed, and may your innovations always be guided by integrity.

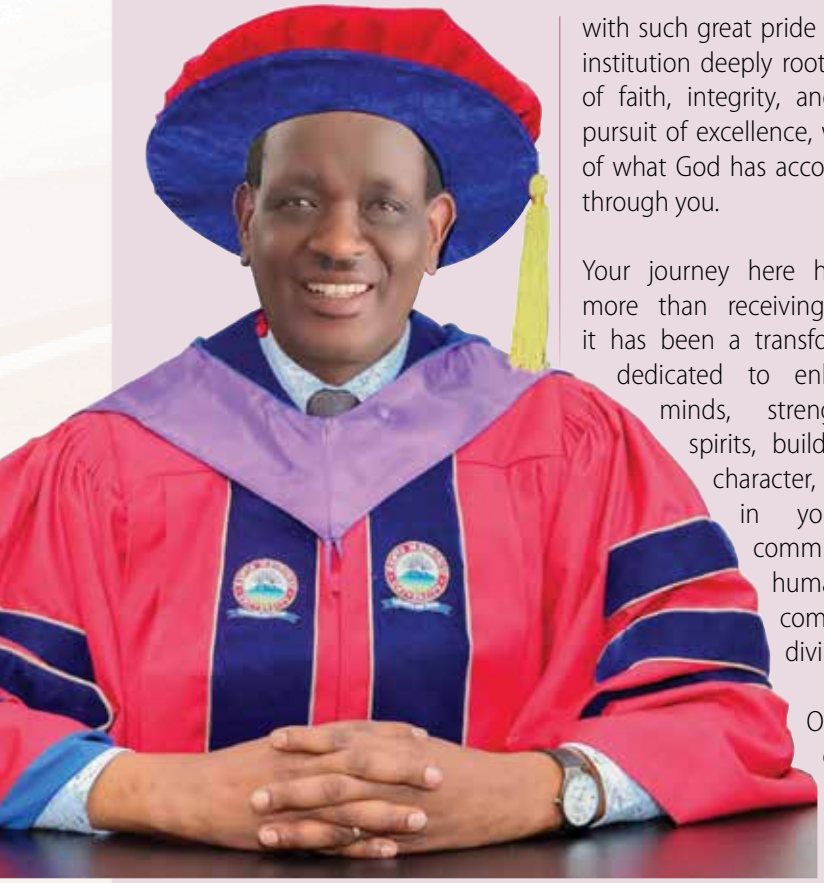

Thank you.

MESSAGE FROM THE DEPUTY VICE CHANCELLOR, ACADEMIC, RESEARCH AND STUDENT AFFAIRS

Dr. Evans Mwiti, PhD

More than Degrees - We're the Difference."

Today, as we mark the 25th Graduation Ceremony, we celebrate not only academic success but also empowerment, transformation, and readiness for impact. Our theme, *"Transformed: Innovate with Integrity",* reminds us that education is not complete until it translates into solutions for society.

Graduands, the world you are entering is filled with complex challenges—unemployment, climate change, governance, health, and technology disruptions. Yet within every challenge lies an opportunity. At KeMU, you have been equipped not only with knowledge but also with the capacity to **conduct research, think critically, and generate solutions.** Remember the African wisdom: ***"Knowledge is like a garden; if it is not cultivated, it cannot be harvested."*** Your research and creativity are seeds—now is the time to cultivate them so that the world may harvest solutions.

The academic research and student affairs division is organized around seven schools and five directorates to support learning, research and conducive student campus life that facilitates learning. We recognize and appreciate the entire team that has tirelessly supported and facilitated your transformation. We are confident that in you we have moulded world transformers, leaders and change agents that our world so dearly needs.

KeMU's motto, *"To Work is to Pray,"* calls you to combine faith with diligent action. As the Ethiopian proverb reminds us, *"When you pray, move your feet."* Your research, ideas, and innovations must not remain on paper—they must be lived out in action: in enterprises you create, in policies you shape, and in communities you transform.

Do not dread uncertainty. *"Smooth seas do not make skillful sailors."* The academic trials you faced—research projects, dissertations, collaborations, strict deadlines—were shaping you for greater challenges ahead. You now possess the resolve and tools to confront them.

The world does not only need more job seekers—it needs job creators, innovators, and ambassadors of change. Be bold in using your skills to design startups, launch social enterprises, contribute to scientific research, and drive ethical leadership. Wherever you go, carry the KeMU identity proudly: integrity, creativity, and excellence.

Remember, your greatest legacy will not be the degree you earned but the problems you solve, the lives you uplift, and the innovations you introduce. Be a beacon in darkness, a solution where there is need, and a voice of integrity in every sphere you enter.

Congratulations, Class of 2025. The journey of learning continues—go forth, research deeply, innovate boldly, work faithfully, and transform the world.

Dr. Eliab Seroney Some, PhD

MESSAGE FROM THE DEPUTY VICE CHANCELLOR , ADMINISTRATION, PLANNING & FINANCE

The World awaits your Innovation

On this momentous occasion of KeMU's 25th Graduation Ceremony, I extend my warmest congratulations to each of you. Today, we celebrate not only your academic achievement but the transformation of your mind, heart, and purpose.

Our theme, *"Transformed; Innovate with Integrity",* captures the essence of who you have become. At KeMU, transformation is not merely academic—it is holistic. It is the shaping of professionals and leaders who are spiritually grounded, intellectually prepared, ethically sound, and socially responsible.

As a *globally competitive Christian university,* KeMU remains committed to producing the next generation of transformational leaders. You now carry that mantle. The world awaits your innovation—but not just any innovation. Innovation anchored in integrity, rooted in our core values of quality, excellence, creativity, accountability, and teamwork.

In every field—medicine, education, business, technology, or ministry—you are called to be agents of *excellence,* defined as the full expression of God's intent in every setting, at all times, at all levels, and across generations.

Remember always KeMU's motto: *Laborare est Orare—To Work is to Pray.* Let your daily labour be your sacred offering. As you step out into a world that craves solutions, be bold to lead, to serve, to

create—and above all, to do so with integrity.

The future is here—and it begins with you.

Congratulations, Class of 2025!

MESSAGE FROM PRINCIPAL, NAIROBI CAMPUS

Dr. Susan Laimaru, PhD

Class of 2025, Congratulations!

Today marks a significant milestone in your journey. As you stand on the threshold of this new chapter, I want to acknowledge the challenges you've faced, including the disruptions caused by the Gen Z protests. Your resilience and determination are truly inspiring.

As the saying goes, "Fall seven times, stand up eight." You've done just that, and I couldn't be prouder. Your experiences have not only shaped your academic prowess but also taught you valuable life lessons.

As you move forward, remember that the world needs your energy, creativity, and passion. Don't be afraid to take risks, challenge the status quo, and make your mark. As Nelson Mandela said, "The greatest glory in living lies not in never falling, but in rising every time we fall."

To the Class of 2025, I offer these final words of advice: stay curious, stay humble, and stay true to yourselves. Your time here has prepared you for greatness, and I have no doubt you'll make a lasting impact.

Congratulations, graduates! May your future be bright, and may your achievements inspire others.

MESSAGE FROM THE CHAIRMAN KeMUAA

Mr. Philip Nyange Maobe

You are Transformed, Equipped to Innovate, and called to Lead with Integrity

The Chancellor, Chairman of the University Council, Members of the Board of Trustees, University Management, distinguished guests, proud parents, and above all, the resilient graduating class of 2025.

Good morning, and may God's grace continue to abound in our lives.

It is with deep joy and immense pride that I stand before you on this historic 25th Graduation Ceremony, a day that marks not just the culmination of your studies, but the beginning of your next chapter. Today's theme, *"Transformed; Innovate with Integrity,"* is more than a guiding phrase. It is a living truth that speaks to each of you: you are transformed, equipped to innovate, and called to lead with integrity.

I will not ignore the reality before us. Our beloved nation, like many across the world, is walking through difficult economic times. Jobs may seem scarce, and opportunities limited. Yet, history reminds us that it is precisely in moments of adversity that true leaders and innovators emerge. Do not view this season as a barrier, it is an invitation to rise, to create, to think differently, and to build the solutions our society urgently needs.

Remember: you are not defined by the storms around you, but by the strength within you. Your education has prepared you not merely to seek opportunities, but to create them. Integrity will be your compass, innovation your instrument, and resilience your shield. With these, you will not only navigate uncertain times, you will transform them.

And you do not walk this journey alone. You are part of a greater family, the **KeMU Alumni Association.** Through this vibrant network, you will find mentorship, career support, and opportunities that extend far beyond today. Many of our alumni occupy senior positions across various sectors, individuals who proudly carry the KeMU identity and open doors for our graduates. By joining, you gain access to this invaluable network, creating pathways for growth, partnerships, and entry into the job market. This is your lifelong partnership, your *"Alumni Advantage."* Together, we can amplify your individual strength into collective impact.

I warmly invite you to join us today. Be part of this movement, either as an Annual Subscriber for KES 2,000 or a Life Member for KES 40,000. Payments can be made via M-Pesa Paybill Business No. 247247, Account No. 0140292609472 (Equity Account), under the name ***KeMU Alumni***.

Graduating Class of 2025, the future belongs to the bold, the hopeful, and the faithful. Go forth and be the light, shining as beacons of integrity, innovation, and transformation.

Congratulations, and may God bless you abundantly.

INTERNATIONAL GRADUAND TESTIMONIAL

KeMU: The Home for International Students

Today marks a proud milestone — a moment of joy, gratitude, and reflection. As international students, we celebrate years of learning, growth, and unforgettable experiences at Kenya Methodist University (KeMU).

Through the Competency-Based Education system, KeMU has shaped us with both knowledge and practical skills to face real-world challenges. I am especially grateful for the internship opportunities within the University ICT labs, where I was able to apply classroom lessons in a hands-on environment under the guidance of supportive mentors.

My heartfelt appreciation also goes to the International Students Office for their unwavering support to ensure we got Admission, visa and immigration documents. Their help made it possible for me to study with peace of mind and focus on my education and personal growth.

KeMU has been more than just a University — it has been a second home. The kindness, safety, and sense of belonging I felt here made my academic journey truly special. I am thankful to my lecturers, mentors, and fellow students for their encouragement, friendship, and guidance that made this journey meaningful and memorable.

From different nations and cultures, we came together — learning, growing, and creating memories that will last a lifetime. Thank you to KeMU for uniting us in purpose and knowledge, and to our families for believing in us across borders and oceans.

Because of the support, love, and learning I experienced here, I hope to return to Kenya Methodist University for my Master's and Ph.D. studies. KeMU will always hold a special place in my heart for the way it nurtured me both academically and personally.

BEST STUDENT RECOGNITION 2025

Orega Patricia Anyango

The Courage to Begin Again

When I look back on this journey, I see more than grades or a degree, I see a quiet transformation of courage, resilience, faith, and rediscovery.

It all began with a simple question: "Patricia, would you love to go back to school?" I did not plan it. I remember pausing, unsure, my mind racing with self-doubt. I wondered if I would still fit in, if it was too late to start over. But that single question stirred something in me. It became the spark that led me back to class after 18 years away from a class set up.

My first semester was a test of both mind and willpower. I still remember sitting for an Economics paper, going blank midway, panic creeping in, and wondering if I could really do this. Yet I finished the paper trembling, but determined. When the results came and I saw all the six As, I knew that limits only exist where fear lives. From then on, every semester became a personal competition with excellence. I attended every class, engaged my lecturers, and treated my studies with total respect. I believe my commitment is what saved me from the common headache of missing marks and incomplete grades.

Through this journey, I have learned the power of consistency, humility, and listening to the quiet and loud voices that lift us when we doubt ourselves. Sometimes in life, we fail to assess our true potential and that external eye is all we need. Transformation isn't loud; it's found in showing up, staying true, and doing every task with integrity.

As I celebrate this milestone and prepare to begin my Master's, I carry one truth close to my heart: growth has no age, no timeline; only the will to begin again. I will continue do so with renewed purpose inorder to keep learning, keep evolving, and keep inspiring.
My heartfelt appreciation goes to the sponsors and the Kenya Methodist University fraternity for their unwavering support and belief in our dreams.

Congratulations to all the 2025 Graduands Bachelors of Business Administration Class of 2025

MESSAGE FROM THE PRESIDENT, KeMU STUDENTS ASSOCIATION

Congratulations to the class of 2025

On this momentous occasion, we celebrate not only the conferral of degrees but also the resilience, determination, and unwavering commitment that have brought each graduate to this milestone. Graduation is more than a ceremony, it is the culmination of years of sacrifice, perseverance, and pursuit of knowledge, as well as the beginning of new responsibilities and opportunities.

At Kenya Methodist University, our mission has always been to nurture holistic leaders, men and women of integrity, innovation, and service. Today, you stand as a testament to this vision. You have acquired knowledge, sharpened your skills, and built character that will enable you to transform not only your own lives but also the communities and nations you serve.

As you step beyond the lecture halls and into the world, remember that true success is not measured by personal achievement alone, but by the impact you make in the lives of others. Carry forward the spirit of discipline, service, and excellence that KeMU instills. Be courageous in facing challenges, creative in solving problems, and compassionate in leading change.

Let this graduation not mark the end of your learning, but rather the beginning of a lifelong journey of growth, curiosity, and contribution. The world awaits your ideas, your energy, and your leadership.

On behalf of the Kenya Methodist University Students Association, we congratulate you most sincerely. Go forth with confidence, and may your future be bright and impactful.

HYMNS AND ANTHEMS

THE NATIONAL ANTHEM

O God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavor
And our homeland of Kenya
Heritage of splendour,
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving

EAST AFRICAN COMMUNITY ANTHEM

Ee Mungu twaomba uilinde
Jumuiya Afrika Mashariki
Tuwezeshe kuishi kwa amani
Tutimize na malengo yetu.

Jumuiya Yetu sote tuilinde
Tuwajibike tuimarike
Umoja wetu ni nguzo yetu
Idumu Jumuiya yetu.

Uzalendo pia mshikamano
Viwe msingi wa Umoja wetu
Na tulinde Uhuru na Amani
Mila zetu na desturi zetu.

Viwandani na hata mashambani
Tufanye kazi sote kwa makini
Tujitoe kwa hali na mali
Tuijenge Jumuiya bora.

GUIDE ME, O THOU GREAT JEHOVAH

Guide me, O Thou great Jehovah,
Pilgrim through this barren land;
I am weak, but Thou art mighty,
Hold me with Thy powerful hand.
Bread of heaven,
Bread of heaven,
Feed me till I want no more;
Feed me till I want no more.

Open now the crystal fountain,
Whence the healing stream doth flow;
Let the fiery, cloudy pillar
Lead me all my journey through.
Strong Deliverer,
Strong Deliverer,
Be Thou still my strength and shield;
Be Thou still my strength and shield.

When I tread the verge of Jordan,
Bid my anxious fears subside;
Death of death, and hell's destruction,
Land me safe on Canaan's side.
Songs of praises,
Songs of praises,
I will ever give to Thee;
I will ever give to Thee.

TAKE MY LIFE, AND LET IT BE

Take my life, and let it be
Consecrated, Lord, to Thee;
Take my moments and my days,
Let them flow in ceaseless praise,
Let them flow in ceaseless praise.

Take my hands, and let them move
At the impulse of Thy love;
Take my feet, and let them be
Swift and beautiful for Thee,
Swift and beautiful for Thee.

Take my voice, and let me sing,
Always, only, for my King;
Take my lips, and let them be
Filled with messages from Thee,
Filled with messages from Thee.

Take my silver and my gold,
Not a mite would I withhold;
Take my intellect, and use
Every power as Thou shalt choose,
Every power as Thou shalt choose.

Take my will, and make it Thine,
It shall be no longer mine;
Take my heart, it is Thine own,
It shall be Thy royal throne,
It shall be Thy royal throne.

Take my love; my Lord, I pour
At Thy feet its treasure store;
Take myself, and I will be
Ever, only, all for Thee,
Ever, only, all for Thee.
