CHANCELLOR'S GOODWILL MESSAGE

Rev. Isaya Deye, BD, MA.-Presiding Bishop, MCK

Embracing Lifelong Learning Beyond Graduation for Societal Transformation

Our esteemed Chief Guest, Board of Trustees, University Council, the Vice Chancellor, Senate, University Management Board, Faculty, Graduands, Families, and Friends, Brothers and Sisters Praise the Lord!

We are gathered here today to celebrate the 24th graduation ceremony of Kenya Methodist University. Congratulations class of 2024! Graduands, we recognize your hard work, dedication, and

resilience that has brought you to this significant milestone. The unwavering support of your parents, guardians/ sponsors and your lecturers has been your springboard.

Now, as you stand on the threshold of your future, allow me to draw your attention on the theme for this graduation ceremony: Embracing Lifelong Learning Beyond Graduation for Societal Transformation. This theme resonates deeply with our ever-changing world, where the only constant is change itself. As graduates of KeMU, you have acquired invaluable knowledge and skills that have prepared you to position yourselves strategically amidst the changing tides. Please note that here at KeMU you were given a sure foundation-quality education. This is the foundation upon which you will build a lifetime of learning. Why Lifelong Learning

Lifelong learning is the ongoing, voluntary, and self-motivated pursuit of knowledge for personal or professional development. It transcends traditional education and embraces every experience that contributes to your holistic growth.

In today's fast-paced environment, where technological advancements and global challenges evolve rapidly, the ability to adapt and learn continuously is crucial. Consider the world you are stepping into. The landscape of work is shifting, with industries transforming due to advancements

in technology and changes in societal needs. The skills that are relevant today may not suffice tomorrow. By committing to lifelong learning, you will remain agile and equipped to navigate the complexities of the future.

Nurture Curiosity and Adaptability I encourage you to be curious in life. Curiosity is the driving force behind lifelong learning. It fuels your desire to explore new ideas, question existing knowledge, and seek solutions to problems. In your careers and personal lives, cultivate curiosity. Ask questions, seek mentorship, and remain open to new perspectives. This mindset will enrich your own lives and set you to inspire people around you.

Adaptability is equally vital. As you encounter challenges and opportunities, embrace change with resilience. Be willing to learn from your failures and successes. Each experience, whether positive or negative, offers a lesson that contributes to your growth. Remember, it is not the challenges you face that define you, but how you choose to respond to them. Lifelong Learning as a Catalyst for Societal Transformation

The quality education you have received equips you to become agents of societal transformation. You have acquired critical thinking skills to enable creativity, innovation and ability to collaborate in the pursuit of solutions to problems and

challenges that cripple the society. You have been strategically positioned among myriads of graduates globally to stand out and play a pivotal role in shaping a better future.

Kenya as well as the African continent, with its rich cultural diversity and abundant resources, faces both challenges and opportunities. From education and healthcare to technology and environmental sustainability, there are numerous areas where your contributions can make a significant impact. As you embark on your careers, think about how you can leverage your knowledge to address these pressing issues.

Engaging with Your Community
To foster societal transformation, it is essential to engage actively with your communities. Volunteer your time, share your expertise, and collaborate with local organizations. By understanding the unique challenges faced by your communities, you can identify areas where your skills can be applied effectively.

Consider the power of mentorship. As you gain experience in your fields, take the time to guide and support others, especially those who may not have had the same opportunities. By fostering a culture of learning and growth, you can create a ripple effect that uplifts not just individuals, but entire communities. Embrace Technology in Lifelong Learning
In today's digital age, technology serves

as a powerful ally in your lifelong learning journey. Online courses, webinars, and virtual workshops provide access to a wealth of knowledge that transcends geographical boundaries. Social media platforms and online communities can connect you with like-minded individuals and thought leaders from around the world. Embrace these resources to expand your learning horizons and foster global connections.

However, it is important to approach technology with a critical mindset. While it offers vast opportunities, it also presents challenges such as misinformation and information overload. Cultivate your discernment and prioritize credible sources. Use technology not just as a tool for learning but also as a means to engage in meaningful conversations and collaborations.

Cultivating a Growth Mindset

As you embrace lifelong learning, adopt a growth mindset that promotes resilience in the face of challenges and fosters a love for learning.

With a growth mindset, you will view failures as opportunities for growth rather than setbacks. This shift in perspective is crucial as you navigate the complexities of life and work. Celebrate your achievements and acknowledging areas for improvement. Strive to learn continuously, and remember that the journey of self-improvement has no end.

Inspiring Others Through Your Journey
Become an inspirer! Share your experiences and foster an environment of support and encouragement to promote both personal and collective development

Your leadership and commitment to lifelong learning can influence future generations. Encourage younger students to pursue their passions, challenge them to think critically, and inspire them to contribute positively to society. Your influence can create a legacy of learning that extends far beyond your own accomplishments. Look Ahead!

In conclusion, consider the journey that lies ahead. I urge you to embrace lifelong learning as a guiding principle and the word of God as your compass. Stay curious, adaptable, and engaged with your communities. Use your knowledge and skills to effect positive change and inspire others along the way.

Congratulations, Class of 2024!
Your journey is just beginning, and the world eagerly awaits your contributions. Together, let us embrace lifelong learning for societal transformation, paving the way for a brighter future for Kenya and beyond.

God bless you all.

CHIEF GUEST

Rt. Hon. Dr. Moses M. Wetang'ula, Speaker of the National Assembly of Kenya

Be adaptable, innovative and transformative leaders

To the Class of 2024, my warmest congratulations. You have reached an important point in your lives, one that marks the culmination of years of hard work, dedication, and sacrifice. Today, you are reaping the rewards of your perseverance, and you should be incredibly proud of yourselves.

Graduation is not just about crossing the finish line; it is about reflecting on the journey that brought you here. Over the past few years, you have navigated challenges, pushed your limits, and grown in ways that you may not even realize yet. Some of you have juggled academic responsibilities with work or family commitments, and others have had to overcome personal challenges that tested your resilience. Yet, through it all, you remained focused on your goals, and that determination has led you to this day.

The theme for this year's graduation, "Embracing Lifelong Learning: Beyond Graduation for Societal Transformation," is particularly fitting for the graduands. As you leave the gates of this great institution, it is essential to remember that learning does not end today. In fact, it is only beginning. You will be given the power to read shortly. Make use of that power for positive transformation of our societies. Education is a lifelong process, and it is through continuous learning that you will stay relevant and make meaningful contributions to our society. We live in a world that is rapidly

changing—technologically, socially, and economically—and it is only by embracing lifelong learning that you can remain adaptable, innovative and transformative leaders.

Your role as graduates in the transformation of our society cannot be overstated. Each of you holds the potential to shape our future. Kenya's development and prosperity are inextricably linked to how well we harness our intellectual capital. You are the agents of positive change in your communities, in our country, and beyond. Therefore, continue to learn new ways of doing things and new methods of problem solving.

You will play a crucial role in contributing to the nation's development agenda across various sectors. By applying your education, skills, and innovative thinking, you will help drive progress in line with Kenya's broader goals, such as Vision 2030, the Big Four Agenda (manufacturing, affordable housing, universal healthcare, and food security), and the Sustainable Development Goals (SDGs). In summary, you are instrumental in advancing the nation's development agenda through your contributions across sectors like health, agriculture, governance, education, technology, and infrastructure.

The Government of Kenya recognizes the vital role that higher education plays in our national development agenda. Over the years, we have made significant efforts to support university education through various initiatives. I can assure you that the government will continue to work hand in

hand with institutions like Kenya Methodist University to ensure that quality education remains accessible and aligned with the needs of the job market.

The world you are stepping into is filled with both opportunities and challenges. You will face uncertainties, but I encourage you to remain focused. Do not be discouraged by setbacks. Be adaptable, be innovative, and above all, be courageous. You are now equipped with the tools to take on the future with confidence.

As you leave here today, do not forget the

lessons you've learned, the friendships you've made, and the values instilled in you. Carry them with you as you pursue your dreams, knowing that your alma mater will always be proud of you.

Once again, congratulations to the Class of 2024! May you go forth and shine, transforming not just your lives but also the lives of those around you.

Thank you, and God bless Kenya Methodist University, God bless you all, and God bless Kenya.

MESSAGE FROM THE CHAIRPERSON

May I take this opportunity to congratulate the graduating class of 2024 on behalf of myself and the entire Kenya Methodist University Board of Trustees. Allow me also to applaud the parents, guardians, and all your loved ones who are gathered here today to celebrate your great achievement. Indeed, the fraternity of Kenya Methodist University is pleased to share the joy of your achievement.

Allow me also to welcome our Chancellor to preside over this remarkable 24th graduation ceremony. Mr. Chancellor in this occasion I wish to personally congratulate you, your wife and most of all your son who is graduating today with a Bachelor's degree in Business. As a parent you have done us proud to pay fees, visit the young man, and provide for accommodation. You know exactly the excitement other parents and guardians are having today. Further, as you confer degrees, award diplomas and certificates the entire Board of Trustees

is pleased to be active participants in the provision of critical resources towards training.

Indeed, it is a great day that is graced by our Chief Guest today, the 8th Speaker of the National Assembly of the republic of Kenya, Rt. Hon. (Dr) Moses Masika Wetangula. We warmly welcome you Mr. Speaker Sir to Kenya Methodist University. The future is here.

When we approached you to be our chief guest we were extremely delighted by your deep understanding of University operations and challenges. You empathized with us and pledged to be a friend to this great University. We value that friendship and have already banked on that goodwill. We believe today you bring us good news of our request for support of the Government Sponsored students.

We are celebrating the 24th graduation, meaning a lot of scholars have passed through this university over the last 23

similar occasions. Our pride is that the graduands have gone out there to impact society in a positive way both within and outside the country. Today's graduands are shortly joining this growing number of alumni who will not only fly the KeMU flag high but also contribute to positive change of humanity. This is what makes us glorify God as we serve Him in service to humanity. One of the key influencers of KeMU graduates is our ethical and moral values. These values will be needed in the society as part of the principles of National cohesion and integration. In fact, I was pleased recently when the Vice Chancellor indicated to me that there is a plan to launch a Diploma in National Cohesion and Integration. As NCIC we are ready to partner with this University to support such an initiative and academic programme.

As a university, we are focused on offering the best learning experiences to our students. As the chairman of the board of trustees, I am alive to the fact that we have constraints

especially in providing adequate training facilities, lecture theatres, and laboratories. As a Board we have put in place plans for resources mobilization through our Special Technical Committee. We have coordinated all other governance organs including the Alumni Association so that we take active role in raising funds to improve tuition facilities. We also request our friends in KeMUDA to consider our proposal to have them expand their mandate to not only deal with scholarship funds but also assist the University with infrastructure development funds. Right now there is need to modernise our computer labs in all the three campuses and we call upon you Director Nate and our other friends to consider this request.

We are committed to initiating collaborations and partnerships locally and internationally so that we twin with other Universities and institutions of research to provide opportunity for exchange of staff and students. In so doing we shall be able to improve our human capital. In fact our Chairperson of Council is not here with us today precisely because she has gone to attend meetings with our collaborating institutions.

Yesterday, we celebrated our founding fathers for the noble act of establishing this university. We also established a Founders Day that will be celebrated annually possibly in the month of August. Indeed, that was a very visionary move for which we are eternally grateful to the Founders led by our great elder, brother, and leader, Bishop Emeritus Dr. Lawi Imathiu (here present).

Bishop Dr. Lawi Imathiu is our national icon and the internationally World Methodist Council Peace Award Winner. As we celebrate his visionary leadership in the University we also recognize him as a key pillar of our Sponsor.

At the same time allow us members of the Board to record our appreciation to the Sponsor of Kenya Methodist University for appointing and trusting us with the enormous task of providing leadership in financial, properties, infrastructure development, and linkage with the Sponsor. In fact we also pray for our Sponsor for taking a keen interest in the running of the University. You are our greatest supporter. We request that you feel at liberty to market Kenya Methodist University Programmes which is our primary source of funding in all our Churches, Circuits, Synods and Conference activities. The seed that was conceived by our Founding Fathers when it was unimaginable how a University could be established in a village and by a Church for that matter, has since grown into a vast institution impacting lives of students, faculty, workers, the community, the government, and many other stakeholders both in this country and in the 32 other nationalities whose students are going on with studies in this University. Indeed, our alumni are all over the globe and we are very proud of them. We relish in the fact that they do not only exhibit scholarly and skilled expertise but also a great sense of humanity and goodwill in service delivery as espoused in their moral and spiritual

grounding from this university.

As I conclude, allow me to once again express my heart felt congratulations to the graduating class of 2024. I am personally very glad that you have made it and joined our growing list of our esteemed alumni.

I urge the University Council to provide policies that will allow robust interaction with our alumni wherever they will be and particularly consider establishment of a Diaspora Chapter. In doing so the University will have laid a firm foundation for attracting top notch applied technology, skilled human capital, and global expertise to help steer the University to the next level of academic and research development. Indeed, education for you is now for lifelong purpose. Every activity, project, employment, and next level of studies shall be informed by your current achievement. The late icon Nelson Mandela said "Education is the most powerful weapon which you can use to change the world". We do not need to look far to find evidence for this profound saying. In the last few months in this Country the Gen Z who most graduate youths have shown us that change is necessary.

As you step out of this University I wish you God's blessing and grace. May you prosper in whatever you set out to do. God bless you.

MESSAGE FROM THE CHAIRPERSON

As you step into the real world, be the salt of the earth

On behalf of the University Council, it is my distinct honour to congratulate each and every one of you the class of 2024 on reaching this remarkable milestone in your academic journey. Today marks the beginning of a new chapter in your lives. You will not only be granted the power to read and do all that pertains to your degree but also you have been commissioned to step out into the world as transformative agents of change. You are more than just graduates—you are innovators, entrepreneurs, and leaders. I have no doubt that you will continue to shine as worthy ambassadors of our institution.

Lifelong learning which is the theme of our graduation today, is not a choice you can abandon after graduation. It is a necessity for personal growth, professional advancement, and, most importantly, societal transformation. Your education has equipped you with the tools to think critically, solve complex problems, and contribute meaningfully to the world around you. Now, it is up to you to continue expanding your

knowledge and skills as you navigate an ever-changing world.

The world you are stepping into is dynamic, with rapid technological advancement, globalization of citizenship and secularized cultural orientation. As you step into the real world you are like the salt of the earth. You will be tested and tasted. You will provide a positive influence to all generations. You will stand out as a transformative leader. We have a lot of expectation and hope on you because you represent a great institution.

As an institution, we are committed to ensure our services and processes of training are standardized, streamlined, and made fit for the purpose of University training. We have so far made significant strides in embracing ICT, investing in broadband connectivity, and improving our rankings among the top universities in Kenya. These achievements are a testament to our commitment to creating a

learning environment that is not only innovative but also adaptable to the needs of today's students and tomorrow's leaders.

Equally important to societal transformation is the role of human capital. As you know, the greatest asset any institution possesses is its people. We have worked diligently to develop a Human Resource Policy that ensures the recruitment and management of the best talent, while adhering to the highest global standards. Just as we value the continued development of our staff, we encourage you to place a premium on your own personal and professional development as you embark on your careers.

In closing, I thank all governance organs. Staff, and students for preparing a splendid graduation ceremony. Indeed, the future is here. May God bless you all, may God bless Kenya Methodist University. Once more congratulations Class of 2024.

MESSAGE FROM THE VICE CHANCELLOR

Rev. Prof. John Kobia Ataya, BD, MA, PhD.
Vice Chancellor

Our graduate product has the endorsement of the manufacturer

On behalf of the Students, the staff, the University Management Board, and the University Senate, allow me to cordially welcome you all who are gathered here today for the celebration of Kenya Methodist University 24th graduation ceremony. Also allow me to convey my heart felt congratulations to the graduating class of 2024. Our dear graduands, I wish to commend you for your great achievement. You have indeed achieved a significant milestone in your life and as a University we feel greatly privileged that you chose to be part of this family. Graduation is the biggest and last

event of a student in a University just as matriculation is the first event that ushers in students to an academic life. In graduation you are

finishing well. You are concluding an important chapter of your life. You are ready to open the next chapter of lifelong learning in the world.

During this year's graduation I wish to commend the two best graduands who achieved the highest GPA during their time in training:

1. Miss. Michelle Muthoni Mwangi
CIS-1-2975-3/2022 GPA 3.85
2. Mr. Valentine Mashoni
HND-1-1632-1/2015 GPA 3.82

The two graduands exhibited a scholarly life of tenacity, inquiry, and curiosity amid many financial and personal challenges. They weathered all storms during training and now they have come out refined becoming the finest in the process. These two represent the product of our University. Indeed, their label: "Made in Kenya Methodist University". The product is well made, tested, and recommended for use by all who require a seasoned scholar and researcher. Our graduate product has the endorsement of the manufacturer. Kenya Methodist University hopes that all our esteemed graduates will not be job seekers but work creators and problem solvers.

It is my privilege to welcome you sir today as you preside over the conferment of

Degrees and awarding of Diplomas and Certificates. As our titular head we value you and appreciate your commitment to the improvement of this University. This being your second graduation to superintend we acknowledge your spiritual oversight, servant leadership, and statesmanship. Your words of wisdom today will set

the tone for this graduation ceremony.

Thank you also for inviting our chief guest for this occasion thus placing this University on a new pedestal of creating friendships, highlighting our brand name, and assuring the government of our commitment to University education.

Allow me to specifically welcome our Chief Guest Rt. Hon. Dr. Moses Wetangula the 8th Speaker of the National Assembly of the Republic of Kenya. Mr. Speaker sir I believe I am in order to express our fraternal joy and jubilation to have you address us today. Mr. Speaker Sir we are inspired by your presence as we prepare to launch the Kenya Methodist University Bachelor of law programme. Your seasoned legal practice and legislative experience inspire us to mount one of the most promising law schools in the country in an emphasis on health law, business law, and technology law. The programme will be implemented in Nairobi Campus to begin with. In addition, you are in our University when we are preparing to start the School of Economics and Political Science offering various programmes at the Main Campus that will provide academic access to those students wishing to fashion a career in political science and economics. We are comfortable with you adopting either the KeMU Law School or the KeMU School of Economics and Political Science as a Patron. Once again let me profusely be thankful for your presence with us today.

I wish to welcome and appreciate our University Board of Trustees and University Council for gracing this auspicious

occasion. You are all welcome. The Board has been instrumental in the restructuring of our financial and development agenda while the Council has provided approval for critical policies that guide the operations of the University. Both these governance organs have collectively streamlined University leadership and management giving our stakeholders confidence in our University. Consequently, our collective efforts have made many students to choose Kenya Methodist University as their institution of choice for their training. We pray that the unity of purpose displayed in the governance organs will continue to inspire the University Senate and Management Board to understand we are in a new dispensation of peace, unity and networking. All organs have played a pivotal role in the renaissance of our University trusting in the words of the late Prof. John Mbiti that "I am because you are. And since you are therefore I am".

After the colourful installation of the Vice Chancellor yesterday and the celebration of our founding Chair we anticipate we are about to relaunch the Kenya Methodist University brand. Our corporate image has re-emerged bigger and better. The honouring of our founders has just began. As we proceed with the exercise of recalling, documenting, and recognizing our heroes and heroines we shall each year celebrate them. The Founders shall be activated to become a functional organ of the University to assist in shaping our vision and destiny. They shall be enabled to have activities and possibly have opportunities for donating support to the University.

We also wish to invoke the goodwill and effort of our alumni and KeMUDA partners to create programmes for supporting our needy students through scholarships, placements, and exchange programmes. The alumni association has grown to over 30,000 membership which gives us a chance to re-engineer and re-package into chapters.

Indeed, alumni from South Sudan have already written to make this request.

In the process of partnering with like-minded institutions we are currently discussing with the foreign governments and agencies so that our medical graduates particularly our nursing graduates can find employment within this country and other countries of the world. We are discussing with agencies in Austria for instance so that our nursing graduates can be absorbed in that country. It is important our Guest Speaker at this point allow us to blow our own horn for this great achievement of our alumni. For instance, Ms Anna Qabale Duba (seated here today) was the best nurse in the world in the year 2022 and received recognition in New York and Dubai. She has continued to fly the flag of Kenya Methodist University high even in provision of education in Marsabit County. Due to these splendid achievements the Board of Trustees appointed her to be a member of the University Council. Madam Qabale we are very proud of your great achievements.

Indeed, we have other achievers in all other sphere of life, some in senior government positions, some in parliament, some in business, and other in University education. For instance, Rev. Dr. Isaac Kaberia Kubai who is teaching in Embu University is also the UDA party Coordinator in Meru. He is also now a member of our University Council. In addition, Mr. Philip Maobe is a member of Council, Mheshimiwa Jebii Kilimo is a member of the Board of Trustees, and Rev. Dr. Catherine Mutua is the Chairperson of the University Council. This is great achievement for our own alumni. All our alumni are a great source of inspiration for our continuing students.

Looking ahead and going forward we intend ensure Kenya Methodist University remains a world class University. We plan to improve on our internal processes so that we provide the best services to our key stakeholders- the students. Implementation of curricula is one priority focus. We will work with others

in different fields of expertise to make this possible. For instance, the University has continued to partner and sign Memoranda of Understanding and agreements with other Universities, Research Institutions, hospitals and other relevant organisations in Kenya and other parts of the world. These partnerships have had mutual benefits and continue to enhance the quality of our academic programmes through the sharing of resources and facilities, staff and student exchange and scholarships, research and development, and community empowerment among others. For example our partnership with Kenya Seed will enable our students in the Agriculture Department to have an experienced partner who can provide the requisite skills. Our partnership with the county government allows us to give our professional services to hospitals and health centres as we also receive training ground for our medical and health science students. Our partnership with KUCCPS, HELB, Commission for University Education and TVETA have given us great support over the years. Therefore, our training has diversified and our partnerships have provided the much needed support.

Allow me to remind our graduates that as you are about to open a new chapter of your life out there, I urge you to carry forward this synthesis of formal learning and lifelong learning. Embrace the ever-evolving and rapidly changing globalized world using all the tools of technology advancement for upgrading your knowledge and skills. One thing you will need are the call values acquired during your years of study. Where certificates takes you, remember competency, honesty, kindness, and belief in your creator can take you further. The book of Ecclesiastes 12:1 concludes that "remember your creator in the years of your youth". You are not required to do anything else to make it in life. Just remember your creator.

Once more congratulations and God bless you. God bless Kenya Methodist University,

**MESSAGE FROM THE DEPUTY
VICE CHANCELLOR, ACADEMIC
& STUDENTS AFFAIRS**

Rev. Dr. Mary Kinoti BD.MTh., PhD.

Let us celebrate the fruits of dedication, diligence, and determination

lecturers, your supervisors, and fellow students.

The completion of your studies today may mean different things to each of you. To some it may be joining the world of work, while to others it's a launching pad to more responsibilities at work. Yet to others it may create in you a deeper urge to further your studies and build your name in the sands of time and become an authority in your niche. The common denominator is that this achievement should inspire your focus of conquering the bright future that lies ahead.

As you get your wings today, don't forget why you dreamed to be here. Therefore, purpose to remain true to the calling that stirred your pursuit for education. This calling does not culminate with graduation, it gets empowered by

graduating. It is a call to make your families, your country, and the world a better place. Endeavor to continually remain innovative as you exercise the positive values instilled in you by KeMU. This will propel you to a proud future worth greater celebration by you and your loved ones.

KeMU has made you a problem solver, I remind you not to lose focus in creating solutions for our world. Go and help unravel the challenges in our systems; whether in governance, healthcare, industry or commerce. Remember to "Embracing lifelong learning beyond graduation for societal transformation". We send you out of KeMU in confidence that you will bring transformation in various sectors and industries and always remember to come back to KeMU to give back to your alma mater. God bless you!

It is another year of our Lord that we gather in this 24th graduation ceremony of the Kenya Methodist University to celebrate the fruits of dedication, diligence, and determination.

First, I congratulate the graduating class of 2024 for your focus and willpower that has seen you through years of hard work which culminate with your qualification in various disciplines. We recognize every support system that has inspired you, against pressing odds, to qualify in your specific areas of study. We thank your parents, you

ADMINISTRATION, PLANNING & FINANCE**

Self-improvement principles will keep you grounded and ready to lead with excellence

Dear Graduands,

Congratulations on reaching this significant milestone! As we gather to celebrate your achievements at KeMU's 24th Graduation Ceremony, themed "Embracing Lifelong Learning Beyond Graduation for Societal Transformation," we acknowledge that this moment marks both an end and a beginning.

Education is not just about attaining a degree; it is about embracing a mindset of continual growth and adaptability. In a rapidly changing world, lifelong learning equips you with the resilience and skills to remain relevant, innovative, and impactful in your personal and professional journeys.

Beyond graduation, learning becomes a tool for transforming society—addressing pressing challenges, solving problems, and fulfilling local, national, regional, and global aspirations. Your journey of learning is not over; it is just beginning, and it is a journey that will inspire and motivate you.

Your commitment to lifelong learning positions you to excel in your careers while remaining attuned to society's evolving demands. Whether you're working towards alleviating poverty, fostering sustainable development, or innovating in your field, continuous education and self-improvement principles will keep you grounded and ready to lead with excellence.

As you move forward, remember that each challenge you encounter presents an opportunity to learn and grow. Perform with excellence, stay curious, and let your achievements become stepping stones for future impact. We trust in your abilities and believe that you will not only meet the aspirations of today but will continually seek to transform society for the better.

Wishing you success and fulfillment in your future endeavors.

Dr. Susan Laimaru, PhD
Principal, Nairobi Campus

As you celebrate your success today 19th October, 2024 together with your family, community and KeMU fraternity,

As you bid us “farewell” I charge you to show appreciation for those who supported you in this journey

remember that you should never lose your dream. This is the day you have been waiting for since you started the education journey and you have strove hard to attain your goals. You navigated through harsh economy, Gen-Z protests, Covid – 19 and now in celebration, you have emerged a victor.

The theme for this year’s graduation, “Embracing Lifelong Learning beyond graduation for Societal Transformation” is timely, since it is your role to help our government in moulding our youths as our

hope for the future.

As you bid us this temporary farewell, I charge you to show appreciation to all those who supported you in this journey. My request to you our graduands is not to be a burden to your society, but contribute positively. Make KeMU shine and always remember to put a smile on someone’s face.

Congratulations once again, and may your journey of lifelong learning lead to profound personal growth and societal transformation.

MESSAGE FROM THE DIRECTOR, MOMBASA CAMPUS

“Embracing Lifelong Learning beyond Graduation for Societal Transformation”

On behalf of Kenya Methodist University Mombasa Campus, our administration, faculty, and staff; it is my distinct pleasure to congratulate the graduating class of 2024. Today is more than just a ceremony; it marks your first steps into a world of boundless opportunity, where the knowledge you have gained will become the foundation for shaping a better future.

As you reflect on your journey, I am certain you will see the long and often challenging road that has brought you here. Your perseverance, especially in overcoming extraordinary circumstances, has led you to this moment of triumph. Graduation is a time

to share your success, not only with fellow graduates but with the family and friends who have supported you every step of the way.

But let today also serve as a reminder that your journey is far from over. In fact, it is just beginning. The theme of this graduation Embracing Lifelong Learning beyond Graduation for Societal Transformation calls upon each of you to continue seeking knowledge, to grow, and to make an impact. In a rapidly changing world, the ability to learn, adapt, and evolve will be your greatest asset.

As you move forward into your careers and beyond, remember that you are equipped

not only with academic knowledge but also with the ability to transform society. Your contributions will shape communities, industries, and the future itself.

Know that you will always be a cherished member of the Kenya Methodist University community. Your hard work has paid off, and the road ahead is bright with possibilities. Congratulations, class of 2024! May you continue to learn, to lead, and to transform the world.

**MESSAGE FROM THE
DIRECTOR, KeMU TVET
INSTITUTE**

Mr. Nicholas Riungu

Director, KeMU-TI

**The world is shifting so fast...
only those who can adapt to
changes will survive**

Congratulations to the class of 2024 on your graduation.

Having attained the level of learning required for your various levels, you are now competent and ready for the next level of your life where you are called upon to apply your various competencies to transform the society.

In the current times of technological change and digital transformation, the world keeps changing so fast and only those who can adapt to the changes will survive. In such an environment, learning is never an option but a survival skill and the acquisition of new skill is the only strategy you may apply to continue excelling in your various fields. Learning is the driver for change and only through change will you grow.

You have been trained and prepared with the capacity to learn and adapt to every situation you encounter in your career life. I encourage you today to embrace Life-long Learning to acquire more skills so that you can grow in your various career paths, and play your part in the transformation of our society.

You are competent today, but to remain competitive you must ensure you have the

relevant and current knowledge and skills guided by the changing needs of your various career paths. Also do not be shy to add a new career to your sleeve or change the career path all together.

I wish you success in your careers as you embrace Life-Long learning for societal transformation.

**MESSAGE FROM
THE CHAIRMAN KeMUA**

Mr. Philip Nyange Maobe- Chairman
KeMU Alumni Association- MBA

“Failure is not opposite of Success but part of Success!”

Today is a momentous day for all of us as you join the other Alumni in service of humanity. I take this opportunity to welcome you as an alumnus and assure you that the spirit of a family continues even after graduation. The Kenya Methodist University Alumni Association, with a thriving membership of over 37,000, remains steadfast in advancing the University's vision and the welfare of its students. Aligned with this year's graduation theme, “Embracing Lifelong Learning beyond Graduation for Societal Transformation,” we have successfully launched a bursary fund, benefiting 50 students in the current financial year.

The Association's vision is to expand this initiative to reach even more deserving students over the years.

Complementing our financial support, we have spearheaded mentorship programs for both freshmen and graduating students, promoting holistic development through career counseling and guidance. Our marketing campaigns continue to draw fresh talent into the University, and the prestigious Annual Alumni Dinner held at Safari Park remains a key networking platform for all stakeholders.

In the upcoming months, we are focused on resource mobilization to establish a state-of-the-art cancer center at the KeMU Main Campus. This landmark project will provide essential healthcare services to the surrounding community and serve as a learning and research center for our

medical students. As part of our fundraising efforts, we are organizing a marathon, set for November 2024. We look forward to working with students, faculty, staff, the Meru County Government and our corporate partners to realize this ambition.

As you, the graduating class, join the ranks of KeMU alumni, we encourage you to embrace the endless learning opportunities ahead and contribute meaningfully to societal transformation. Remember your alma mater is proud of you and we believe that as you go out there you will raise the flag of KeMU high and be proud of us. Remember the values that KeMU has instilled in you and always uphold them.

TESTIMONIAL**
Immaculate Maina

Every journey has a beginning and the often quoted words are how it ends matters more than the beginning. But there is no end if we do not experience the journey fully. The truth of the matter is that the real joy of a journey is neither the end or beginning, it is in the experience itself.

At the finish of an academic journey in the meantime, with friends to treasure, memories to cherish and a bucket load of lessons learnt. Grateful for life, the opportunity, supportive families and a good

KeMU; a place renowned for excellence

network of friends and acquaintances that made the journey lively and the rough tides softer. Nothing is taken for granted, credit where it's due congratulations to those who've made it as far as we have and beyond. It is not easy, but it's not hard. We just need the internal zeal and determination to be where we aim.

KeMU is a prestigious institution, not just in my opinion. But in the truth of the matter, it is a place renowned for excellence and being here was a privilege am grateful for. It's a fraternity that is bound to make you succeed in your endeavors if you intend to and I wish success to all those in similar journeys. In my path, it's been a stepping stone as well as a light with guidance. Professionalism that leaves a lot to envy

and as such I say am grateful and proud to be here today.

To all those graduating here, I hope and pray every one with aspirations of quality education here achieves their deepest desires. My deepest congratulations to all of us here for fighting hard every time it got hard, pushing ourselves. Now we are at the very end of it. It has born fruit and we have something to be proud of and celebrate.

Many joined us but for one reason or the other may not have made it this far. It's all thanks to God, the support we got and the desire and determination to get here. Now we pray for enlightenment to move forward because the end of one journey is without doubt the beginning of another.

**INTERNATIONAL
GRADUAND TESTIMONIAL**

Today we celebrate a milestone of our academic journey, a journey of success. Through our time in this esteemed institution, we have witnessed the transformative power of Competency Based Education in preparing scholars for the dynamic future. It has been a journey filled with remarkable experiences— From modern facilities to interactive learning methods with highly skilled lecturers and

KeMU: The Home for International Students

supporting staff, collaborating with a diverse group of students, and engaging in hands-on projects that have prepared us for the future. These experiences have not only shaped our academic path but have also equipped us with the confidence and expertise to face real-world challenges. We strongly encourage international students to explore the opportunities that KeMU has to offer. This is a place where potential is nurtured, dreams are realized, and every student is given the platform to succeed. KeMU offers more than just education but also; holistic experience, opens doors to numerous possibilities through extracurricular activities,

professional networks, and mentorship. To my fellow graduands, as we embark on our individual journeys, let us embrace change, be open to new ideas, use our knowledge and skills to make a positive impact to the world around us and continue to grow.

I am eager to return to KeMU to pursue my Master's in Computer Science. We know that the future holds even greater challenges and opportunities, and we are ready to embrace them as we continue with the journey of growth and learning. Congratulations to KeMu class of 2023! KeMU, the future is Here.

**BEST STUDENTS
RECOGNITION**

Mitchel Muthoni: Best overall student, 2024

The world is waiting for us to make our mark!

“What lies behind us and what lies before us are tiny matters compared to what lies within us.” - Ralph Waldo Emerson

I am deeply humbled and honored to be recognized as the Best Graduating Student of KeMU 2024. This journey has been challenging, rewarding, and surprisingly fun! I'm extremely grateful for the unwavering support of my amazing mum who supported me in more ways than i care to count, my friends, lecturers, and the KeMU community.

KeMU has given me a solid foundation in academic excellence, in in character development, in every sense of the word as well as in leadership skills. The diverse

opportunities for growth have started me on a path that has led me to where I am today. For that I am grateful.

The journey hasn't been easy for any of us. We've all faced unique challenges, but look at us, through hard work and perseverance - we made it! Let's continue striving for excellence as we step into the future with confidence. I'm excited about what lies ahead for myself and my fellow graduates. I'm certain the future is bright.

Grateful for everything this journey in KeMU has allowed me to experience. Thank you for this incredible honor.

Now, let's go forth and kick some...goals! The world is waiting for us to make our mark!

Valetine Masoni: Best male student, 2024

Let's go out there and shine!

Ladies and gentlemen, esteemed faculty, proud parents and fellow graduates,

I am filled with gratitude and a sense of accomplishment. Today marks not just the end of an era but the beginning of a new chapter in our lives. We have spent countless hours online, in lecture halls, participated in various activities, and formed friendships that will last a lifetime.

Each of us has faced challenges that have shaped us, taught us resilience and prepared us for what lies ahead. I take this moment to thank our lecturers and families for their unwavering support, encouragement, and belief in us.

Above all, I give thanks to the Almighty God for His blessings and grace throughout our study period.

As we move forward, let us carry the lessons we have learnt, the memories we've made, and the dreams we hold dear. Remember that success isn't measured solely by the accolades we receive, but by the impact we have on others and the courage to chase our passions. So, let's step into the future with confidence, knowing that we have the power to make a difference in the world.

Congratulations, Class of 2024! Let's go out there and shine!

Thank you.

MESSAGE FROM THE PRESIDENT,
KeMU STUDENTS ASSOCIATION

Masai Naomi Chebet

“Milestones are not merely endpoints but stepping stones that pave the way for the future.”

Congratulations to the class of 2024

Today, we celebrate a significant milestone in your lives- a moment that marks not just the completion of a program, but a testament to your perseverance, dedication, and growth. Each of you has embarked on a unique journey, overcoming challenges and embracing opportunities that have shaped you into who you are today.

Milestones are not merely endpoints but stepping stones that pave the way for the future. Whether it's the small victories of daily learning, the friendships forged in the process, or the hurdles you have overcome, every experience has contributed to this moment. We commend you for the resilience you've shown, the lessons learned, and the courage it took to navigate this path.

As you step into the next chapter of your life, carry the wisdom you've gained here at

KeMU. Use it to fuel your ambitions and to inspire others. Remember, success is not just about achieving your goals; it is about the journey, the connections you make, and the impact you have on those around you. We encourage you to be bold in pursuing your dreams. Take risks, embrace challenges, and never shy away from hard work. The world awaits your talents, your passion, and your unique contributions.

As we celebrate you today, we wish you nothing but success and happiness. May you always strive for greatness and may our paths cross again as you reach even higher accolades. Congratulations, class of 2024! May God bless you abundantly on this new journey and help you achieve even more milestones.

HYMNS AND ANTHEMS

THE NATIONAL ANTHEM

O God of all creation
 Bless this our land and nation
 Justice be our shield and defender
 May we dwell in unity
 Peace and liberty
 Plenty be found within our borders.

Let one and all arise
 With hearts both strong and true
 Service be our earnest endeavor
 And our homeland of Kenya
 Heritage of splendour,
 Firm may we stand to defend.

Let all with one accord
 In common bond united
 Build this our nation together
 And the glory of Kenya
 The fruit of our labour
 Fill every heart with thanksgiving

EAST AFRICAN COMMUNITY ANTHEM

Ee Mungu twaomba ulinde
 Jumuiya Afrika Mashariki
 Tuwezeshe kuishi kwa amani
 Tutimize na malengo yetu.

Jumuiya Yetu sote tuilinde
 Tuwajibike tuimarike
 Umoja wetu ni nguzo yetu
 Idumu Jumuiya yetu.

Uzalendo pia mshikamano
 Viwe msingi wa Umoja wetu
 Na tulinde Uhuru na Amani
 Mila zetu na desturi zetu.

Viwandani na hata mashambani
 Tufanye kazi sote kwa makini
 Tujitoe kwa hali na mali
 Tuijenge Jumuiya bora.

GIVE ME JOY IN MY HEART

1. Give me joy in my heart, keep me praising
 Give me joy in my heart, I pray
 Give me joy in my heart, keep me praising
 Keep me praising 'til the end of day
 Refrain

*Sing hosanna, sing hosanna
 Sing hosanna to the King of kings
 Sing hosanna, sing hosanna
 Sing hosanna to the King*

2. Give me peace in my heart, keep me resting
 Give me peace in my heart, I pray
 Give me peace in my heart, keep me resting
 Keep me resting 'til the end of day

3. Give me love in my heart, keep me serving
 Give me love in my heart, I pray
 Give me love in my heart, keep me serving
 Keep me serving 'til the end of day

4. Give me light in my heart, keep me shining
 Give me light in my heart, I pray
 Give me light in my heart, keep me shining
 Keep me shining 'til the end of day

GUIDE ME OH THY GREAT JEHOVA

1. Guide me, O Thou great Jehovah,
 Pilgrim through this barren land;
 I am weak, but Thou art mighty,
 Hold me with Thy pow'rful hand.

Bread of heaven x2
 Feed me till I want no more; x2

2. Open now the crystal fountain,
 Whence the healing stream doth flow;
 Let the fire and cloudy pillar
 Lead me all my journey through.

Strong Deliverer ,x2
 Be Thou still my strength and shield; x2

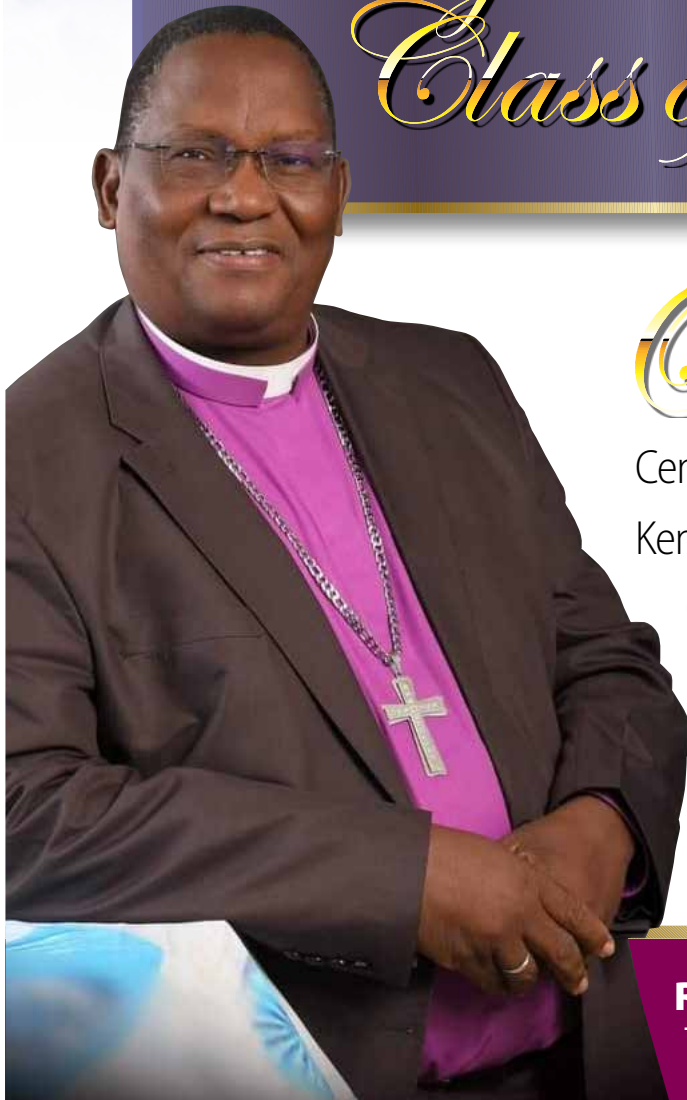

3. When I tread the verge of Jordan,
 Bid my anxious fears subside;
 Bear me thro' the swelling current,
 Land me safe on Canaan's side.
 Songs and praises, x2
 I will ever give to Thee. x2
